

## UE9-10 A choix

### Liste des enseignements

|   | Nature  | CMI | CM  | TD | TP  | TER | ECTS |
|---|---------|-----|-----|----|-----|-----|------|
| UE9 - Opto-electronics & Optical communications | UE      |     | 22h | 8h | 10h |     | 4    |
| UE10-nano optics                                | UE      |     |     |    |     |     | 4    |
| Nano-photonics                                  | Matière |     | 18h | 6h |     |     | 2,5  |
| Nanophysics & Nanoplasmonics                    | Matière |     | 14h | 2h |     |     | 1,5  |
